**ARMY BULLETIN NO. 26**

**27 June 2002**

**TRANSPORTATION OF WEAPONS (POTO-MR)**

1. Based on current waiver from NGB, armed guards are not required to transport weapons outside of federal installations in NJ.
2. The following is extracted from the NGB waiver letter:
  - a. A request for exception to AR 190-11 to utilize unarmed guards in lieu of armed guards during transport of Category II weapons off a military installation is approved. The following compensatory physical security measures apply.
  - b. Weapons will be placed in the custody of a commissioned officer, noncommissioned officer (E-5 and above), or a military technician (GS 5 and above).
  - c. Weapons will be transported in an enclosed vehicle. Two drivers will accompany the shipment to ensure at least one driver maintains continuous observation of the shipment. A favorable NAC or command-oriented screening is required for drivers. Some type of communications system (either radio or cellular telephone) is required for emergency purposes.
  - d. Weapons will be stored in arms racks or other approved security containers, chained together in at least pairs and chained to the vehicle itself. Army approved locks will be utilized to secure weapons.
  - e. Weapons will be rendered inoperable according to Table 4-1, AR 190-11. Removed parts will be stored and transported in a separate secure container.
  - f. The transporting unit will provide it's next higher headquarters with route and travel timetable and will report in by telephone every two hours while enroute and upon arrival at the destination.
3. IAW para 7-3c (2), AR 190-11, Small arms repair technicians may travel to support facilities to effect onsite repairs instead of shipping of small arms for repair.
4. POC is SGM Duke, Security Manager at (609) 562-0808.
